

Illuminate Studio Policy

Thank you for registering your child for Illuminate! We are excited to sing, dance and perform with your kids. Please look over and sign the following policies and expectations for our Illuminate participants.

Communication:

Please add leefamilymusic15@gmail.com to your contact list or all important studio emails could go to your spam folder.

Location:

All classes will be held at our home 2442 E. Mountain Ledge Dr. St. George, Utah. Your child will enter through the white side gate and wait outside the studio door until the class before them is released. I ask that all students stay on the side of the house and not wander and play into the backyard. There will be no supervision outside before and after classes, since I will be teaching, so please pick up and drop off as close to class times as possible.

Payments:

Monthly tuition will be due by the 5th of each month if you are paying with cash or Venmo. A \$10 fee will be applied if payment has not been received by the 5th.

If you have already set up automatic payments online those will be withdrawn on the date you chose when you set up those payments.

Registration Cancellation:

If for any reason you would like to remove your child from an Illuminate class we have a 30-day cancellation policy. You must give 30 day notice before dropping a class, we do not refund tuition for dropped classes after the month has begun.

Master Classes

If your child is 9-15yrs old they will have the opportunity to attend a master class with other professional musicians and performers. Those dates are:

March 25th 10:00am: Nathan and Malory Myers

April 29th 10:00am: Ashley Stackhouse

Performances:

Please mark these important dates in your calendar:

April 1st: Kite Festival Time 10:30-11am

May 19th Performance at Senior Living Center TBA

May 20th Dress Rehearsal at Utah Art Academy 10-12pm

May 20th Final Performance at Utah Arts Academy 6:00pm

Please add these dates to your calendar and have your child attend every performance. If your child will be unable to attend a concert this may affect whether or not they get a solo opportunity.

Every performer will be required to wear closed toe shoes that will not slip off easily when

dancing and black pants with their Illuminate t-shirts they will receive. Girls' hair needs to be pulled up away from their face. We hold a high standard for our performances and there will be NO ALTERATIONS made to the t-shirt given for our performances.

Weekly Classes:

Classes will run February 14th-May 20th with the following schedule

Tuesdays:

Starlights (4-5yr olds) 4-5pm

Spotlights (6-8yr olds) 5-6pm

Wednesdays:

Highlights (9-11yr olds) 4-5pm

Dynamites (12-15yr olds) 5-6:30pm

Please make sure to keep children at home if they are showing any signs of sickness. I am more than happy to video record choreography or classes if a child is sick and is unable to attend in person. Children are expected to come wearing clothes they are able to dance in. There will be a basket for kids to put their shoes AND socks in before their class. Bare feet or dance shoes that are put on after entering the studio are allowed.

Behavior

Our class time is a time to LEARN. Although there will be lots of fun to be had, please talk with your child that this is a time to learn and prepare for our upcoming performances and not a time to socialize and catch up on last week's game. ;) I will also not allow any cartwheels, somersaults or tumbling tricks in the studio unless it is part of choreography and under supervision for the safety of all students. I will expect respectful and kind behavior to each other as well as to myself during class time. This is a place where I want everyone to feel loved and confident to try new things and be themselves. If there are any problems with attentiveness or being respectful I will contact the child's parents. If a child's behavior inhibits the learning environment of other participants they may be asked to be dismissed from Illuminate. When we are visiting other venues and locations I will hold high expectations for my students. We will treat facilities with care and stay in the designated rehearsal space and not wander hallways, classrooms..etc. We are a guest in these spaces and we want them to continue to let us use these facilities!

Safety

All children who attend Illuminate classes take full responsibility for their own safety and health and come with the knowledge of the risk and potential exposure involved. Parents and children agree to accept any and all inherent risks to their personal health. By coming to the studio you should be symptom-free and you should also not come to class if you are known to have been exposed to someone with COVID-19, Lee Family Music is not liable, attend at your own risk. All classes are video recorded through a security device for safety and liability purposes.
